A safe pair of hands for your business

As a Mitel Partner and a leading supplier & maintainer of Mitel phone systems, we support customers across the whole of the UK.

We take pride in our service and expertise to ensure you fully benefit from Mitel solutions.

10 reasons to choose PSU for Mitel

- 1 Get Expert Consultancy**
Wherever your project is, you'll benefit from our expertise with development managers, project teams and engineers ready to help.
- 2 Tailor your Solution**
We provide clear advice on suitability, compatibility & licensing that support your strategy.
- 3 Increase your Collaboration**
Our phone systems offer you a range of next-generation UC & C solutions to make you leaner and more responsive.
- 4 Mobilise your workforce**
You can work from anywhere on any device - Whether it's IP phones for 'plug in anywhere', one number calling or mobiles apps.
- 5 Integrate your CRM**
So you're able to work faster, we work to integrate your voice with essential business systems and help to reduce bottlenecks.
- 6 Lower your costs**
Built-in features and optional solution add-ons that can increase cost savings over the lifespan of your platform.
- 7 Receive Better After Sales Care**
With our Account Managers & engineers, you focus on your business, whilst we look after your phone system day and night
- 8 Service you can rely on**
Award Winning Customer Service with continuous improvement integral as part our best practice frameworks.
- 9 Get 30 years of Expertise**
Our fully manufacturer trained engineers know Mitel phone systems & solutions inside out.
- 10 Get Future Proofed**
You'll benefit from the fullest and most seamless communications experience, now and into the future.
